## » Mission is ...

God's work, among the faithful and through the faithful, that fulfils the spiritual and material needs of the people. This goes hand in hand with what Jesus did when he healed, fed, defended, and preached to the poor and the weak.«

Bishop Dr Abednego Keshomshahara  
(UEM Vice Moderator)

## » Mission is ...

the diversity and variety in the big UEM family, which we should not see as a threat, but as a treasure we must celebrate every day.«

Pastor Rosmalia Barus  
(UEM Vice Moderator)

## » Mission is ...

working in a network of churches in Africa, Asia, and Europe, and wherever we are called to advocate for justice and peace as a learning and serving communion and to share our gifts, insights, and responsibilities.«

Pastor Dr Ulrich Möller  
(UEM Vice Moderator)
