S-N-Coworker (Pastor or Deacon) (m/f/x)

Mission for us means to improve living conditions on the basis of our Christian belief. Faith, health, education, justice and peace: These are themes of relevance and importance for us, in Africa, Asian and Germany. Our projects and programs reflect this. In recent years we have developed into an international network of churches and diaconia with a modern, up-to-date profile.

In the framework of the South-North-Personal Exchange of the UEM the Reformed Church of Germany is looking for an Ordained Pastor or Deacon, preferably with a reformed or united background, for its congregation in Hannover who is willing to live and to work in Germany for a minimum period of three and maximum of six years. The expected start of this period will be spring 2022 after successful completion of German language studies.

Your tasks:

- planning and implementation of projects with children, youth, young adults and families – your musical skills are very welcome!
- supporting the English language activities of the congregation
- outreach to migrants
- participation in different committees of the congregation and of the UEM

Your qualifications:

- theological qualification and ordination
- work experience in parish work of some years
- pastoral competence and musical skills
- open for the local ecumenical cooperation with the Lutheran Church and other Christian churches
- excellent language skills in English
- ability to work in a team

The ability to communicate fluently in German is a requirement for the position. We expect that the elected candidate will start a language course already in Africa or Asia ending with a final exam. The successful completion of the exam is prerequisite for the position.
