Please note:

Incoming payments are checked and processed daily. As a rule, earmarked funds are forwarded during the following week after the receipt in our bank account. UEM is forwarding funds exclusively to the UEM member churches, which in turn, after receipt of the payment, transfer to the partnership account as stated in the bank details provided above.

UEM guarantees the secure transfer to its member churches and informs the respective church treasurers about the expected receipt of funds. To avoid unnecessary bank fees, the amount of money to be transferred should be at least € 1,000.00.
