

To work in UEM is a meaningful work with commitment, competence, efficiency and conviction. In a world torn apart we grow together into a worshipping, learning and serving community. The tasks in our three offices are as diverse as the members of our teams.

In the framework of our South-South-Personal Exchange and on behalf of our member church, the Eglise Evangélique du Cameroon (EEC), we are looking for a

Medical Doctor, Hospital Director (all gender)

for **Ndogbati Hospital based in Douala, Cameroon** with a total staff of 120 workers which is owned by this Church. We are looking for a person bringing in an external background and culture in our hospital.

The tasks include:

- Participation in the overall conceptual, economic and organizational structure of the hospital
- Coordination and supervision of various medical services
- Close cooperation with the Director of the EEC Church Social Services
- Conduct Hospital daily/weekly board meetings in order to monitor work progress
- Definition of key performance results and guide to improve the quality work
- Ensure a good supervision of 5 existing medical Doctors, Supervision of 97 medical personnel for a better medical performance of more than 120 hospital beds
- Promote the hospital activities to effectively serve patients, achieve self-reliance, make it more attractive and contribute to the modern facilities/improved equipment
- To work in cooperation with other local health centres for the provision of desired improved medical services to the population.

What we expect:

- Medical doctor (generalist or other medical specialist) with professional medical experience of more than 6 years
- Professional leadership experience of more than 6 years
- Ability to identify hospital shortcomings, define key performance results and to identify performance strategies with collaborators
- Excellent command of the English and French language
- High level of personal responsibility, independence and motivation
- High social competence
- Flexibility and team spirit.

We offer:

We offer a workplace in an international and interdisciplinary environment. The appointment will be for a 3 years' period. Extension for a second term may be considered.

If you are interested, please send your application with CV by email to personal@vemission.org
The closing date for applications is **30.06.2024**
